

Combining innovative technology with superior medical expertise, first-class service and an expansive national presence, Medisys' Insurance Medical services division works to improve the efficiency of Life and Health insurance underwriting.

INSURANCE MEDICAL SERVICES – INDEPENDENT CONTRACTORS

Registered Nurse, Licensed Nurse and Laboratory Technician

SUMMARY

We are looking for dynamic health professionals to work with us on a contractual basis in our medical insurance services division. The health professional's role is to collect samples and medical information for our clients for insurance purposes. They do home visits on their own time and we provide the assignments.

Advantages of self-employment:

- Flexible schedules, part-time or full-time
- Tax deductions
- Earn Aeroplan points
- Mileage reimbursement (\$0,40 per km)

We have opportunities in Ontario, Maritimes, Alberta, Manitoba, Saskatchewan, British Columbia and Northwest Territories.

REQUIREMENTS

- Phlebotomy skills
- Available to work daytime, evening or weekend hours
- Access to email or fax machine
- Access to a car
- Organizational skills, autonomous and entrepreneurial attitude

If this opportunity is interesting to you, please send you resume to Nancy Couture via e-mail nancy.couture@medisys.ca
